Emily,

There is no limit on attendees from VTANR. A skeletal agenda will be out Monday June 11 and then we will be filling it in. There is a state panel on day 2 where each state can discuss their issues. Once you see the agenda you will probably have an idea of who to include.

We will have a call of the states to discuss too.

Great to see you at the OTC!

Thank you Alex. Given the substantial increase in seats with this venue, are there any guidelines for states on the number of participants from each state?

Warm regards
